GIFFORD, KRASS, GROH, SPRINKLE, ANDERSON &amp; CITKOWSKI, P.C. 280 N. OLD WOODWARD AVENUE, STE. 400, BIRMINGHAM, MICHIGAN 48009-5594 (248) 647-6000

VERSION WITH MARKINGS TO SHOW CHANGES MADEIN THE CLAIMS:

18. (Twice Amended) A method of automatically changing to an alternate transmission medium at a TV viewer location, comprising the steps of:

entering, at the viewer location, information regarding a viewing preference;

transmitting a TV program from a broadcaster to a viewer location;

receiving [a] the TV program at the viewer location over a first transmission medium; and

[transmitting, from a broadcaster to the viewer location, a TV program including a pointer that] automatically [switches] switching the TV program to the alternate transmission medium based on the information entered by the viewer.

34. (Twice Amended) A television viewing system, comprising:

a source of an audio/video TV program including a channel-change command; and

equipment at a TV viewing location remote from the source, including a channel selector and circuitry operative to perform the following functions:

receive the TV program;

detect the channel-change command, and

automatically select a different transmission medium in response to the channel-change command.
